**Question of the Week**  
**June 11, 2023**

All catechesis flows from the liturgy nothing is as important as what happens at the Sunday Mass. Christ is present in four fold ways, in the bread and wine, the Presider, the word of God and the community gathered. But for a lot of people the Sunday mass and readings and homily goes too quickly. In order for people to think back on the mass, we will have the "Question of the Week". The purpose of the "Question of the Week" is to bring together people of all ages to learn about and share their faith. The question will be relating to one of the readings from Sunday's Mass. The question will allow different ministry groups and families to break open the word and share faith throughout the week.

**Question of the Week:**

**Adults:** Share one way that the Eucharist connects us as "one body" – how does it change the way we relate to each other?

**Children:** How does receiving Holy Communion change how you treat those around you?

**Reading 1:** Dt 8:2-3,14b-16a

**Reading 2:** 1 Cor 10:16-17

**Gospel:** Jn 6:51-58

**Justice and Peace Ministry**

**Matthew 25:40**

And the king will say to them in reply, 'Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me.'

**Why do Catholics celebrate Corpus Christi?**

The Catholic Church honors Christ's Presence in the Holy Eucharist with a special feast owing to St. Juliana of Liège, a 13th-century Norbertine canoness from Belgium. She had a great love for the Eucharist. When she was 16, she had a vision in which the Church was a full moon with a dark spot. The dark spot signified that the Church was missing a feast dedicated solely to the Body and Blood of Christ. Even though she had this vision several times, St. Juliana didn't think that she could do anything to help institute this feast. Therefore, she kept it a secret for many years. Once she was elected prioress, she finally told her confessor, who in turn told the bishop. This eventually led to the universal feast of Corpus Christi.

**What does Corpus Christi mean?**

The Latin words "Corpus Christi" translate to "Body of Christ."

**June 20 is World Refugee Day.**

**Please help us celebrate refugees like Esin!**

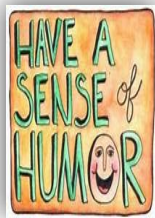

Following the takeover of her country by Taliban, Esin fled with her family and arrived with her husband and five children through CCC's Refugee Resettlement Program. Her first goal was to learn English and she quickly enrolled in CCC's Pre-literacy English Class. In the short time she's been in the class, Esin has gone from being very shy to someone her ESL teacher can count on to help teach the other students in the class. She was the first one to try to read aloud and she is gaining confidence with each class. We're excited for Esin's future and have no doubt she will reach her goal learn English in no time at all!

**Volunteering** is a great way to help refugees in your community. Currently, we are seeking volunteers for English classes, transportation, apartment move in and more. Visit [www.cccofva.org/volunteer](http://www.cccofva.org/volunteer) to inquire and learn more.

**EPIC August 19:**

Is a one-day diocesan event for middle-school youth (rising grades 6-8). We will attend as a parish at St. Edward Catholic Church (2700 Dolfield Dr.).

This event is intended to be a high-energy day that is focused on two things: building community and friendships with other middle-school youth, and encouraging zeal for our Catholic faith. Throughout the day, youth will experience everything from inflatables to a service project, relay races to Mass.

They will also interact with high-school teens who attended Discipleship Week in the days prior to EPIC. At the end of the day, middle-school youth will walk away feeling excited about their community and their faith.

Join us, it is going to be EPIC! Please call Tanya in the office to register.
