Brickshire has instituted some very important changes designed to ensure everyone's safety. For example:

Face masks are required when inside the clubhouse, and golfers must follow all posted signage and staff directions.

Social Distancing is practiced in all areas of the facility and should be practiced on the golf course as well. Do not share clubs and golf equipment with your playing partners or congregate with them in the parking lot before or after your round.

The course has been set up to limit touch points by removing; bunker rakes, sand bottles, water coolers, ball washers, etc. The cups have been set up to stop the balls from going entirely into the hole for touchless retrieval.

The club is allowing single rider carts (members of the same household may share a cart).
